### Review

1. Who teaches Covenant Theology?

2. Covenant Theology Basics:

a. Definition: Covenant Theology is a system that attempts to develop the biblical philosophy of history on the basis of \_\_\_\_ or \_\_\_\_ covenants in which historical events are unified & directed toward an ultimate meaning or \_\_\_\_\_.

**Covenant Theology** sees the ultimate goal of history as *the Glory of God through the* \_\_\_\_\_ *of the* \_\_\_\_\_.

**Dispensational Theology** sees the ultimate goal of history as *the Glory of God through His* \_\_\_\_\_.

b. Covenant Theology's History:

c. Covenant Theology's Teaching is based on:

1) Covenant of \_\_\_\_\_

2) Covenant of \_\_\_\_\_ (Gen 2)

3) Covenant of \_\_\_\_\_ (Gen 3)

4) Many Covenant Theologians believe this covenant of grace was established either between Creation & the \_\_\_\_\_ (Gen 3) or after the call of \_\_\_\_\_ (Gen 12) & the promises given to him.

5) According to Covenant Theology, the Covenant of Grace is essentially \_\_\_\_\_ through out history though it's form of administration \_\_\_\_\_ or differs in the Old or New Testament.

3. What are some **marked differences** between Covenant Theology & Dispensational Theology?

Zech 14:9

Rev 20:1-6

b. Covenant Theology's view of Israel's existence & ownership of the Promised Land is not \_\_\_\_\_ . (Genesis 12, 13, 15)

Ps 105:8-15

Acts 3:25-26

c. Covenant Theology teaches that the church began in \_\_\_\_\_ times.

d. Covenant Theology has fallen for \_\_\_\_\_ theology today (the belief that the church has permanently \_\_\_\_\_ Israel as the people of God & that the church will fulfill God's \_\_\_\_\_, not Israel).

Rom 9-11

e. Covenant Theology believes that the law is still our \_\_\_\_\_ today.

\* How is this seen?

\* Covenant Theology \_\_\_\_\_ & \_\_\_\_\_ the distinctions that are in the bible, while Dispensational Theology rightly \_\_\_\_\_ the Word of truth & \_\_\_\_\_ these biblical distinctions.

f. Some other issues that are blurred:
