

**IN THE WORLD, BUT NOT OF THE WORLD**  
(Genesis 46)

Review:

**A. Israel Pausing At Beersheba (46:1-6)**

1. What is the significance of this place?

- Should Israel be concerned or have misgivings about going down to Egypt?

2. God spoke to Israel concerning this in \_\_\_\_\_ of the night. (46:2)

\* Why did God speak to him this way?

3. As Israel \_\_\_\_\_, God responded and called him by \_\_\_\_\_ (46:2b) "*Jacob, Jacob!*" And he said, "*Here I am!*"

\* Why is this significant?

- How does God describe Himself & what does He say to Jacob? (46:3-4)

\*What attributes of God do these promises include?

\* What did God mean that Joseph would "close Jacob's eyes"?

4. Based on God's leading via the dreams \_\_\_\_\_ & \_\_\_\_\_ went down to Egypt (46:7-8)

### **B. The Record of Those Who Went to Egypt (46:8-27)**

\* Did they become a nation of people while in Egypt?

### **C. The Family's Arrival & Instruction In Egypt (46:28-34)**

1. Jacob sent Judah ahead to lead them to the land of \_\_\_\_\_ (46:28)

\* The significance of this:

2. Joseph's reunion with his father was very \_\_\_\_\_ for both. (46:29-30)

3. Joseph now gives \_\_\_\_\_ to his family concerning their presentation to Pharaoh (46:31-34a)

a. The family needed to be presented to Pharaoh and this must be done carefully & tactfully if they were to maintain their \_\_\_\_\_/\_\_\_\_\_ while they \_\_\_\_\_ into a \_\_\_\_\_, in Egypt.

b. What they say & how they respond to Pharaoh when presented to him will \_\_\_\_\_ this!

4. God was so wise in sovereignly selecting \_\_\_\_\_ to be his man in Egypt, as he is like \_\_\_\_\_ in so many ways: the perfect \_\_\_\_\_ of the world to the Egyptians, & the perfect \_\_\_\_\_ to Israel, for God, before Pharaoh. Joseph \_\_\_\_\_ mediated Israel's place to \_\_\_\_\_. They were to be \_\_\_\_\_ the world (Goshen) for 400 + years as they became a nation, but they were not to be \_\_\_\_\_ the world while sojourning there.

5. The fact that they told Pharaoh they were \_\_\_\_\_ guaranteed their \_\_\_\_\_ and \_\_\_\_\_, as shepherds were an \_\_\_\_\_ to the Egyptians!

\* How will this work out practically?
